Dear Colleague,

On behalf of the president of the International Society for Vertebrate Morphology and the scientific program committee for the 11th International Congress of Vertebrate Morphology it is a great pleasure to invite you to present your research at the ICVM-11 in Washington, D.C. USA, June 29^h-July 3rd, 2016. For more information on the congress please visit our website at www.icvm2016.com. The program includes five plenary talks and 21 specialized symposia on a variety of cutting edge topics in morphology. Thank you for submitting an abstract of a presentation to the scientific program committee for review.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam P. Summers". The signature is fluid and extends to the right with a long horizontal stroke.
